

Crompton

THE SECRET OF FINE TASTE.

Small Domestic Appliances Range
2024-25

INTRODUCTION

Over the year, Crompton has spread wings across market and consumer product like fans, light sources, luminaries, pumps and households appliances such as geysers, mixer grinders, hand blender, chopper, otg, air fryer, induction, rice cooker, sandwich maker, pop-up toaster, kettles & room heaters.

Its state of art manufacturing units are located in Goa, Vadodara, Ahmednagar, Baddi. With 1,50,000 plus retail points, Crompton aims to establish a positive connect across India through its superior range.

Experts at its R & D center innovate continuously to enhance convenience by delivering functional product range with stringent quality processes and certification of BEE and ISI. We have a service network of 365 + touch points to give seamless service throughout the country.

PRESENTING THE NEXT GENERATION OF MIXERS

UNPARALLELED CONVENIENCE & EFFICIENCY FOR EVERY KITCHEN

The new Range of mixers has been meticulously designed based on extensive consumer insights and feedback from across India. We proudly introduce an entirely new and powerful DuroElite series featuring 1000W mixer, specifically designed to address the consumers need for performance. We further enhanced our 500W and 550W range with multi utility jars for utmost convenience.

Our commitment to delivering an exceptional grinding experience is underscored by our innovative **Powertron motor and Motor Vent X technology**, which enable **continuous grinding for up to 60 minutes***, showcasing their robustness and durability. With **MaxiGrind technology**, these mixers provide the finest grinding experience possible. Ensuring the safety of your culinary creations with our **100% food grade*** jars.

We understand that versatility is key, which is why we provide a **specialized chutney jar equipped with a cool-to-touch feature**, and a **Blend and Carry Smoothie Mix jar with an Ice-crushing function**. These thoughtful additions cover a wide spectrum of consumer needs, making our mixers the ultimate kitchen companions.

Furthermore, we take pride in offering these exceptional features at an ensuring that our mixers not only meet but also exceed your expectations in terms of both functionality and affordability.

REASONS TO BUY CROMPTON MIXER GRINDER

60 Min of Continuous Grinding*

Grinds the toughest of the ingredients continuously without interruptions.

Powerton Motor

Optimizes the energy usage and delivers convenience of grinding.

Maxi Grind Technology

Unique blade and jar contour design ensures maximum grinding results.

Easy to Clean

The single leaf flat blades and glossy finish ensure the ease of cleaning.

2X Durability

Durable nylon couplers with metal inserts for everyday usage.

*60 minutes of continuous operation performed with every 2 minutes of cleaning/refilling time (OFF) and every 3 minutes of grinding (ON) operation. Based on the internal lab validation on the hard ingredients such as Urad Dal.

Smoothie Mix Jar

Quick and portable Smoothie Mix Jar for refreshing smoothies & shakes every day.

Juicer Jar

1.5L Juicer jar with fruit filter to extract the most out of the fruits.

Ball Bearing

Ball Bearing Motor for Extra Durability.

100% Food Grade Jars

Jars for hygienic food preparation and healthy lifestyle.

Metal Jar Base

Metal jar base for enhanced durability during tough, everyday grinding.

MIXER GRINDER

Crompton

Kitchen Appliances

CROMPTON MIXERS ARE UNIQUE BLEND OF ADVANCE TECHNOLOGY AND FUNCTIONAL AESTHETIC DESIGN.

SUPERIOR TECHNOLOGY

Powertron Motor for Longer Usage

Powertron motor delivers maximum grinding results by optimizing energy usage.

MaxiGrind Technology

Innovative jar and blade design for faster, superior grinding with minimal dead spaces.

100% Copper Motors

Copper's conductivity keeps motor cool during extended use.

60-min continuous grinding*

Ensures uninterrupted grinding for up to 60 minutes

2x durability

Nylon couplers with metal inserts for 2x durability.

Smoothie mix jar

Innovative ice crushing tech for convenient smoothie storage and portability.

Overload Protection

Safeguards against overload, blockage, and includes resettable protector for motor cutoff.

Motor Vent-X Technology

Body and motor designed for enhanced airflow, reducing temperature and extending product lifespan.

UNIQUE PRODUCT DESIGN

Stainless Steel Jars

The premium quality jar body is anti-corrosive.

Ergonomic Jar Handles

Comfortable handle space and better grip.

Easy clean

Its unique design with smooth contours makes it easy for cleaning.

Leakage Free Jars

The superior leak proof material ensures zero leakage while in operation.

Chrome Plated Knob

Lends a premium touch to its visual appeal.

Firm Cushion Pads

Prevents mixer from moving while in operation.

Metal Jar Base

Metal jar base for enhanced durability during tough, everyday grinding.
