Giving you our best

GM has been extending innovative technology and luxury experiences for more than two decades. Our years of experience and expertise provide invaluable benefits for our production facility in Mumbai as well as in close co-operation with our global suppliers. It is of vital importance to us that we only work with suppliers that share our commitment to high quality. That is why our association has always been with talented, creative designers who have a responsible attitude towards design. And that is why we carefully select our suppliers so that we can work closely with them and supervise the whole production affair.

To achieve a perfect balance between carefully selected raw materials, beautiful design, functionality and good value is our moto. Every little piece, detail, line and material has been meticulously considered to ensure that the end result will work wonders in your home.

The entire GM product range catalogue can be found online on our website www.gmmodular.com.
