ELECTRIC WATER HEATERS
Catalogue 2017

Total Electrical Solutions

Started in 1958, Finolex Cables Limited is India's largest and leading electrical and telecommunication cables manufacturer. Finolex Cables has always believed in enhancing capabilities and augmenting the product basket. In last few years, besides the cable business, the company has forayed into new segments and added new products under the Finolex brand.

The company offers Total Electrical Solutions with products like electrical wires, 3 Core Flat Cables, Communication Cables, Telecommunication Cables, Flexible Cables, Auto Cables, Copper Rods, CFLs, LED Lighting Range, Premium Plus Electrical Switches, Switchgears, Fans and Electric Water Heater range.

Finolex Cables Limited has four manufacturing facilities viz. at Pimpri (Pune), Urse (near Pune), Verna (Goa) and Roorkee (Uttarakhand).

Finolex Electric Water Heaters

A warm way to refresh your day

Finolex is introducing complete range of Electric Instant & Storage Water Heaters especially designed for Indian bathrooms / kitchens by using latest technology and high quality components. Finolex water heater range offers unique and stunning aesthetics with value for money proposition which has been brought in by our engineering expertise.

The wide range of water heaters with capacity inputs from 1 litre to 25 litre are designed to satisfy a diverse range of applications including use in kitchens, shower panels, bath tubs etc.

Finolex water heaters combine safety, performance and several energy saving features. The Water Heaters comes with six level of HEXA Protection which ensures safety with high precision thermostat with thermal cutout, heavy gauge tank with IPX4 protection for components and multifunction safety valve with pressure release valve. Finolex Storage Water Heater is equipped with Blue Topaz Glassline Enamel Tank and magnesium anode which offers ultimate protection against rust & corrosion.

Finolex Water Heaters are available with warranty of 5 years on tank and 2 years on rest of the components against any manufacturing defects.

The Water Heater range is also backed by a nationwide on location after sales service set-up that brings service right to the customers door step.

FINOLEX WATER HEATER HEXA PROTECTION

KEY FEATURES

Finolex Water Heater

High Quality Heating Element

Offers superior heating performance with extended life span and minimum energy losses. (Available with glasslined / incoloy / copper selections)

Heavy Gauge Tank

Made by ultra thick super cold-rolled steel plate with 2mm thickness.

Multifunctional Safety Valve

Automatically relieves and discharges water in case the temperature or pressure overshoots the preset limits. Also targets a quick startup under extreme pressure conditions from pressure 0.005 MPa to 0.8MPa.

Adjustable Temperature Knob With Thermostat

One-Hand " pilot design. allows a temperature setting between 25°C to 75°C

Water Tubes With Whirlflow 2

The Whirlflow 2 ensures no immediate direct contact between cold & hot water for a faster heating and maximum energy saving effect. A further improvement based on classic whirlflow design with 10% more hot water output.

Anti Bacteria Mode*

While heating water; this mode facilitates temperature rises upto to 80°C over 1 hour automatically removing impurities and bacteria*.

IPX4 Splash Proof

Ensure protection to water heater components incase of splash & moisture.

Blue Topaz Glasslined Enamel Coating

Models are equipped with ultimate protection against rust and corrosion. Blue Topaz Glasslined layer (0.5mm) provides several times corrosion resistance compared to standard inner tank designs.

Heavy-Duty Magnesium Rod

With steel core, protects tank from rust and corrosion.

Thermal Cutout

Cuts off electrical power to guarantee safety.

Energy Saving High Density

Foam Insulation CFC free, complete protection design against radiant heat loss (up to 25mm thickness, 25% thicker than normal insulation design).

External Temperature Meter

Provides clear temperature indication.

*Star rating & features may vary according to models and capacity, models with BEE star rating coming soon.

*Under test condition, when tested in accordance with relevant standards.

CUBERDON
