JUNE 2021

The Team

Ratan Motwani

Ram Motwani

Naraindas Motwani

15/11/1926 - 7/8/2020

(May his blessings be with us forever)

“ Vishwas Wahi, Soch Nayi ”

Our beloved Dadaji, with his continuous guidance, helped our brand innovate & evolve along with the times. His 'always positive' approach and open mind to try new things while giving equal importance to our values & legacy has helped us reach this level of success in our field.

Sachin Motwani

Kapil Motwani

We at **CONA**smyle® understand the power of “WE” to a great extent. It has been our mantra from the beginning of time to succeed, progress and innovate with new technology the world needs today.

Our dealers and channel partners enjoy working with us because our products are customer centric, extremely user friendly for all age groups, and value for money. We as an organization have an open door policy- 'you need something- we make'.

We've learned over the years of experience from our fathers to keep innovating and making our products innovative, durable and yet simple for everyone to use.

We believe that professional and personal growth happens when we combine a fantastic state of the art product with an excellent platform for our dealers and channel partners to work from and grow- it aids in delivering beautifully to our customers.

A happy customer, a happy dealer, a happy channel partner has led CONA to Smile - Hence **CONA**smyle®

Our strengths

In-house product designing team

Dedicated team for research & development

Quality control department

De-centralized efficient supply chain

Raw material procured from best suppliers across the globe

Favorable business opportunities for channel partners

What is innovation?

When we improve the form and function of an existing classic product, and give it a new feel, and features which matches with the ever evolving need of the consumer, it's considered to be **EPIC**.

A revolution is coming...

EPIC series is primarily designed to cater to those, who wish to experience great design, finish, form and function and yet not be charged astronomically. We are super excited to launch this soon...

It's gonna be **EPIC!**
