Designer Fans

Relax...

Slow down a bit... After all, in life the happiest moments are the minutes you have relished and not long hours or days.

We would love to create more such happy moments in your life. Our fans not only deliver soothing breeze but also the designs are an art to watch and relish.

The truth is that, the real time to relax is when you feel that you don't have time for it.

We have the largest range of fans for any indoor and outdoor applications and would like to welcome you to take a journey through the real world of art of relaxing.

Warm regards

LUKER

BUYERS SELECTION GUIDE

CEILING FANS RECOMMENDED SWEEP FOR DIFFERENT ROOM SIZES

Model Size	Sweep / size (mm)	Suitable for room size
Ceiling Fan	600 mm	For Small Shops, Cabins & Toilets
Ceiling Fan	750 mm	5.5 m ² (6 feet x 10 feet)
Ceiling Fan	900 mm	6.5 m ² (7 feet x 10 feet)
Ceiling Fan	1050 mm	9.3 m ² (10 feet x 10 feet)
Ceiling Fan	1200 mm	14.5 m ² (12 feet x 13 feet)
Ceiling Fan	1400 mm	20.8 m ² (14 feet x 16 feet)

To optimize the air delivery, ceiling fan should be approximately 10 feet from the ground level and 1 foot below the ceiling.

For larger room with more than one fan, the centre distance between each fan would vary with the sweep/size of the fan.

For large halls, auditoriums, offices, install two or more ceiling fans with a space as specified below

Sweep of Fan (mm)	Centre Distance
900 mm	1.8 m (6 feet)
1050 mm	2.1 m (7 feet)
1200 mm	2.4 m (8 feet)
1400 mm	3.0 m (10 feet)

WARRANTY TERMS AND CONDITIONS

The company, Luker Electric Technologies Pvt. Ltd., offers a warranty period of 24* months to buyers of its products under conditions set out hereafter. The warranty period applies to functional defects of the company's range of products, resulting from defectiveness of the material being used or irregularities in the production process, provided that the product is mounted and used in accordance with the manufacturer's instructions and requirements mentioned in the catalogue or instruction manuals provided. Kindly note that different products are provided with different warranty periods and it is mentioned in the product catalogues or may be confirmed with the company before purchase.

Products for which warranty is provided, the manufacturer will repair or replace, at its discretion, with products of the same type and, at least, the same quality at its own expense. The company will not cover any losses caused to property or person, directly or indirectly, with the usage of the company's range of products. The maximum liability due to malfunction of the product is limited only up to the purchase cost of the product.

The warranty is invalid and not applicable in the case of conditions further detailed below:

If the product is not used in accordance with the manufacturer's instructions or the product is used for purposes other than those for which it was designed or the incorrect assembly of the product. If mechanical damage and faults caused by the buyer's or third party's incorrect handling of the product or damage and faults caused by natural disasters (lightning, earthquake, fire, floods etc.) or incorrect electrical voltage (for example, electrical stroke, high voltage surge). If any repairs and interventions on products by unauthorized persons or any modifications of the product done by the customer. Any disputes arising under this warranty clause shall fall only within the jurisdiction of the courts at Ernakulam, Kerala, India.
